Are you interested in learning how to use a computer? Systems Librarian Britta Dorsey will be offering three classes in March that cover various aspects of computer use. On March 8th from 6-7:30 p.m., get started with basic computer usage: learn what makes a computer run and learn various techniques to improve your mouse and keyboard use! We will also begin learning about Windows 10, the newest operating system from Microsoft. On Wednesday, March 14th from 6-7:30 p.m., we will continue learning about Windows 10 along with how to safely navigate the Internet. During the last class on March 22nd from 6-7 p.m., we will cover how to create and manage an email account.

It is not required to attend all classes! Please stop by the library to sign up or call 765-436-7348. Hope to see you there!

March Book Discussion: *At Home in Mitford*

At Home in Mitford by Jan Karon has been selected for the March book discussion. This 1994 novel is the first in Karon's popular Mitford series. "It's easy to feel at home in Mitford. In these high, green hills, the air is pure, the village is charming, and the people are generally lovable. Yet, Father Tim, the bachelor rector, wants something more. Enter a dog the size of a sofa who moves in and won't go away. Add an attractive neighbor who begins wearing a path through the hedge. Now, stir in a lovable but unloved boy, a mystifying jewel theft, and a secret that's sixty years old. Suddenly, Father Tim gets more than he bargained for. And readers get a rich comedy about ordinary people and their ordinary lives."

The group will meet on Monday, March 12 at 1:30 in the Young Adult Room. All are welcome to join the group, even if they haven't finished reading the book. Light refreshments will be served, and discussions usually last one hour. Copies are available for checkout at the adult circulation desk.

Taste of Home

Calling all cooks! The bimonthly Taste of Home sampler is scheduled for the first Monday every other month and will next meet on **Monday, March 5 from 6-7** in library room 116. Taste of Home is a great program for those who like to cook and try new recipes! Call the library to log your recipe, then bring the prepared dish to our potluck on Monday night.

Friends Board Meeting

The Friends of the Library, Inc. board of directors will meet on Tuesday, March 13 at 7:00 p.m. at the library. The Friends board meets six times per year and receives updates on library programs and events, and authorizes payments for special programs, reading incentives, and library projects.

Writers' Group **New Meeting Day**

Our next Writers' Group will meet in room 116 at 6:30 p.m. on Tuesday, March 20. Anyone interested in writing is invited to participate in our monthly writers' group. A suggested topic may sometimes be proposed, but writers may also choose their own topics. Writers may choose to share up to 3 pages of work but are not required to do so. Light refreshments will be provided at each meeting. No registration is required.
