Hoodie Hoo Again Banishes Winter

Good-bye, Winter! Annually since 2004 at 12:00 noon on February 20 the staff and visitors at Thorntown Public Library step outside, wave their arms, and shout, “Hoodie Hoo! Hoodie Hoo!” According to the holiday’s tradition, this banishes winter and TPL participants note that it has worked every year. The effectiveness is increased because the group returns inside for cake, ice cream, and pink lemonade.

Shoe Collection Success!

During the 2019 Reuse Heart & Sole Shoe Drive, 180 pairs of shoes were collected at Thorntown Public Library! We thank everyone who took the time to clear out their closets for this good cause. Jennifer Lawrence of Boone County Solid Waste Management District, the agency that coordinated the drive, shared the following from Bob Broughton, Changing Footprints Founder & Board President: “This is the largest ever donation/collection for Changing Footprints! We cannot thank you enough for your work and support. Your team has kept tons of shoes out of the landfill. . . and put them on the feet of those in need.” Congratulations also go to Western Boone Jr. Sr. High School, this year’s top collection spot - they collected 1,596 pairs of shoes!
March Madness!

Join the library staff for a little March Madness!

College hoops fans can keep an eye on the youth lobby bulletin board for an up-to-date NCAA bracket beginning the week of March 12. For those visitors who don't follow sports...

See the two “March Madness” brackets in the adult department. For book-lovers, there will be a bracket in which favorite authors go head-to-head to see which one reigns supreme. All library visitors and staff will have the opportunity to vote on the pairings.

Movie-lovers, don't despair! We'll also have a similar bracket pitting popular movie franchises against one another. Check the brackets during your next library visit to see which pairings are available for your vote!

March Book Discussion: The Journey of Josephine Cain

Travel west with Josephine Cain, a young Washington, D.C. socialite living in post-Civil War America. Following the war, Josephine’s father takes on the task of supervising the day-to-day work involved in the building of the Transcontinental Railroad and she joins him in order to experience frontier life. Josephine must meet the challenges of the frontier - harsh weather, vigilante uprisings, and other unpleasantness far removed from the proper life she lived in the east. The group will meet to discuss this book by Nancy Moser on Monday, March 11 at 1:30 in the Teen Room. All are welcome to join the discussion. Light refreshments will be served, and meetings usually last one hour. Copies are available for checkout at the adult circulation desk.

Wireless Printing is Here!

Those who make use of the library’s wireless internet will be pleased to hear that wireless printing is now available. Visitors may send documents and photos to the adult department printer by using an app, sending an email with attachment to a specified email address, or uploading documents to a URL. Information about the PrinterOn app and instructions on using the email and document upload methods are available at each circulation desk. In each case, the visitor will need to enter a print release code before the job will print, after which they can delete the print job from the interface.
Gourd-geous Plans

The Sugar Creek Gourd Patch will meet at the library from 6-8:00 p.m. on Wednesday, March 6, to begin assembly of a gourd quilt made of 4” squares. Crazy-quilt-painted gourds will be happening while some participants work on their own projects. In addition, bowls will be cut and drilled in preparation for the March 20 2-4:00 p.m. weaving of pine needle rims during the Thorn Tree Gourd Patch session. On April 3 from 6-8:00 and on April 17 from 2-4:00 the patches will experiment with setting up gourd galleries for display at the Indiana Gourd Show that will be held in Rochester at the Fulton County Fairgrounds on May 3-4. New crafters are invited to participate but need to call Karen at the library to assure that supplies will be on hand.

Taste of Home Sampler

Calling all cooks! The bimonthly Taste of Home sampler will be held on Monday, March 4 from 6-7:00 in library room 116. Taste of Home is a potluck/pitch-in that’s a perfect opportunity to try that recipe you clipped from the newspaper or found on Allrecipes but haven’t yet tested.

Interested in participating? Call the library to reserve your spot and log your recipe—then bring yourself, the prepared dish, and a place setting to the library on Monday, March 4.

Happy Anniversary (to Us)!

Time flies when you’re having fun! On March 9, 2009, Thorntown Public Library took the plunge and joined the newly-formed Evergreen Indiana Consortium. While TPL had participated in library consortia in the past, the switch to Evergreen was significant because we had to change some circulation policies (like overdue rates and check-out limits) in order to participate. The first few months were rough, with frequent outages - this was due to the remarkable growth of the consortium! Almost 40 libraries joined in 2009, nearly tripling the size of the group. The choice was well worth it, though. Thanks to Evergreen, all public libraries in Boone County share a catalog, and patrons can (almost) seamlessly circulate items among over 110 libraries throughout the state. Visit https://evergreen.lib.in.us/map/evergreenmap.html to see a map of Evergreen Indiana libraries.

Happy 10-Year Evergreen Anniversary! Thank you for sharing this journey with us!
NEW Youth Programs in March!

The Youth Department is trying out a few new after-school programs in March. The first is a Pizza Party on March 5th (3:30-4:30). Kids are invited to stop by anytime during the hour and play some fun games, do a craft, maybe try on a pizza costume for a “funnyfoto” and of course...EAT PIZZA! Cheese or pepperoni are on the menu. On March 12th (3:30-4:30) we will be having a super sleuthing scavenger hunt throughout the Youth Department. Kids will read clues and fill in answers on the official scavenger hunt form to earn points. Kids that accumulate 200 or more points will get a prize and snacks will be provided! Finally, we will try out our skills at board games on Thursday, March 14th (3:30-4:30). We will have familiar classics and some new games too! If you love board games, this program is for you! This program is geared for kids 3-12 and we will have some snacks available. Hope you can attend one or more of these fun activities in March!

B-I-N-G-O!

Join us as we re-boot our Senior Bingo program! Bingo will be held at 12:30 on the second Wednesday of each month in library room 116. Bingo is free to play and prizes will be available for the lucky winners! Participants are encouraged to take part in the CICOA meal served at 11:30; meals are $3.00, nutritious, and usually followed with ice cream or some other dessert. Call Melanie at the library to reserve a CICOA luncheon, or show up at 12:30 to try your luck. We hope to see you Wednesday, March 13!

Writers’ Group March 19

The Thorntown Writers’ Group meets on the third Tuesday of each month; writers of all ages and abilities are invited. March’s suggested topic: write up to two pages about your family history. Where did your family originate? Have you studied your family history? Why (or why not)? You can choose a favorite relative or family story to share. The group will next meet in the Guinn room at 6:30 on March 19. No registration is necessary; light refreshments will be available. Hope to see you there!

Friends Board to Meet

The seven-member Friends of TPL Board will next meet on Tuesday, March 12 at 7:00 p.m. The board meets six times per year to discuss and plan fundraising efforts, approve expenditures, and hear updates on library programs. Anyone interested in joining the Friends of the Library or serving on the board may contact Christine at the library for more information. A membership form is included on the back of this newsletter.
