We’ve missed you! Welcome back!

But first... 

Some things have changed (for now).

Library use is limited to check outs and essential business (faxing, copying, etc.).

Staff will be wearing masks when working in public spaces. Visitors are encouraged to wear masks, too.

Only 15 patrons will be permitted in the building at a time.

Computer use is by appointment, and limited to one hour.

No programs or meeting room uses are scheduled for May.

Items are being sanitized and/or quarantined as they are returned.

Curbside service is available to those who request it!

Seating has been rearranged or removed to discourage lengthy visits.

Staff and visitors are asked to practice social distancing.

Please use our drop box for all your returns.

Some things are still the same.

We’re ready to help. We are looking forward to seeing you, even if only for a short visit!

Our Overdrive digital library is always open and our WiFi is on 24/7 (password is 20Library).
